- 1:00-2:30 Lunch Break
- 2:30 Value-based Democracy: What is it and can it work? A Panel Discussion

Participants: Klaus Bosselmann (chair), Ron Engel, Laura Westra, Don Brown, Johannes Heinrichs

As liberal democracy is collapsing under the weight of neo-liberalism, we need to ask how we will ever be able to tackle long-term sustainability. What are the characteristics our “post-democratic” age and can we (re-)define the parameters of democracy capable of advancing sustainability?

July 8, 2016 – Friday

Tour to Chiemsee on July 8 to a lake with boats leaving regularly for Herrenchiemsee and a palace that can be visited, with the possibility of also visiting the Frauenchiemsee (a famous nunnery, available at https://en.wikipedia.org/wiki/Irmgard_of_Chiemsee). The bus to the location will be offered by GEIG & tour offered by GEIG
